VERSE 1

D **G**
The sun is mocking me again
Bm **D**
I'm struggling to find the pen
G **Bm**
To write the list of things to do
D **G**
I'm filtering the light of you
Bm **D**
My eyes are glued, my brain is dense
G **Bm**
I'm sitting on the picket fence
D **G**
Between the living and the dead
Bm **D**
With heavy concrete in my head

CHORUS

G
I need coffee
Bm **D**
To jumpstart the machine
G
I need coffee

Bm **D**
To wipe the memory clean
G **Bm**
I need the chemical
D **G**
To make the miracle
Bm
I need coffee
D **G**
(Just to breathe)

VERSE 2

Bm **D**
I'm vibrating in the chair
G **Bm**
I'm pulling at my messy hair
D **G**
The conversation is a blur
Bm **D**
I don't know what the words infer
G **Bm**
I'm running on a hollow tank
D **G**
I'm walking up the wooden plank
Bm **D**
I pour the black into the void
G **Bm**
To keep the panic un-deployed

CHORUS

D
I need coffee
G **Bm**
To jumpstart the machine
D
I need coffee
G **Bm**
To wipe the memory clean
D **G**
I need the chemical
Bm **D**
To make the miracle

G

I need coffee

Bm D

(Just to breathe)

Chords auto-estimated from the song's audio (bass = roots, guitar/synth = quality) and snapped to the detected key — a best-effort transcription, not a hand-verified score. To check accuracy, play the MIDI against the original recording (the verify player, when present, does this for you). Chord positions over the words are approximate to the repeating loop.
