VERSE 1

G **Bm**
The signal fades, the screen is dead
D **A**
I'm trapped inside my heavy head
G **Bm**
The coffee cup is cold as ice
D **A**
I've rolled the same unlucky dice
G **Bm**
I'm waiting for the fog to lift
D **A**
But I can feel the continental drift
G **Bm**
You're asking me to take a stand
D **A**
But I'm building castles in the sand

CHORUS

G **Bm**
I'm just not sure
D **A**
I'm looking for a sudden cure
G **Bm**
I'm sleeping on the hard concrete

D **A**
And watching from the backseat

G **Bm**
I'm just not sure

D **A**
Of what I'm fighting for

G **Bm**
I'm drowning in the shallow end

D **A**
Pretending that I can ascend

VERSE 2

G **Bm**
The neon sign begins to blink

D **A**
I'm standing on the jagged brink

G **Bm**
You want a promise I can't keep

D **A**
I'm talking in my restless sleep

G **Bm**
The words get stuck inside my throat

D **A**
I'm wearing someone else's coat

G **Bm**
It's static everywhere I turn

D **A**
Just watching all the bridges burn

CHORUS

G **Bm**
I'm just not sure

D **A**
I'm looking for a sudden cure

G **Bm**
I'm sleeping on the hard concrete

D **A**
And watching from the backseat

G **Bm**
I'm just not sure

D **A**
Of what I'm fighting for

G **Bm**
I'm drowning in the shallow end
D **A**
Pretending that I can ascend

Chords auto-estimated from the song's audio (bass = roots, guitar/synth = quality) and snapped to the detected key — a best-effort transcription, not a hand-verified score. To check accuracy, play the MIDI against the original recording (the verify player, when present, does this for you). Chord positions over the words are approximate to the repeating loop.
